AT THE FEBRUARY GENERAL MEETING

Officer Carl Reese of the Bastrop Police Dept talked to us about several topics, including the upcoming change in Texas vehicle inspections. Officer Reese also talked about the department's Civil Patrol Academy that was starting a new class on February 17. If you missed that session you will have an opportunity to join at a future date by contacting the police department.

Chad Arnold displayed new BAC caps and asked if there was an interest from the members. Since there was an interest, those caps will be for sale at the March meeting. Mesh back caps (of which there are only a few) are \$11; the full fabric caps are \$15. Additional caps can be ordered and the turnaround time is very quick.

THE FEBRUARY SOCIAL

We had a nice lively group for the social at Red Rock Steakhouse. From everyone's comments the food was great, as was the service. If you haven't been there yet, take the drive down 20, turn left at 812 and it's at the end of the street. The March social will be on Wednesday, March 18 at Guadalajara next to McDonald's.

OUR MAN IN TOKYO

Hi Cruisers—This is one of many displays that we have either in the hotel, or outside in the areas around us that are a part of Roppongi Hills.

The lights, camera, and action is grand in style and remarkable to see.

Just in the last two weeks our ballroom was filled with magnificent Ferrari's, complimented with fashion and watches/jewelry. The same came later with BMW.

Spring is on the way soon, the Cherry Blossoms will be close behind. Those will be fantastic photos to send!!

Our best from the BAC Tokyo Chapter, Steve
