

## DECEMBER BAC MINUTES 2020

Members met at the Hampton on December 11<sup>th</sup> for our last monthly meeting of 2019 to celebrate the holiday season together and to elect the officers and directors to lead the Club during 2020. It was a great dinner, provided by the 602 staff. We had nearly 90 people in attendance. Bill Szelag opened the meeting and then turned the election over to two out-going board members, Dave Stillson and Tony Sloterdijk, who had volunteered to administer the election. Ballots were distributed, marked, collected and tallied by Dave and Tony. Thanks were given to all the 2019 BAC Officers, Board members and volunteers for a outstanding year!

### Outgoing Bastrop Area Cruisers Board for 2019

President Bill Szelag  
Vice Pres Bo Godfrey  
Treasurer Rodney Dietz

Green

The meeting then quickly turned into a party atmosphere as the gift exchange ensued. Due to the large turnout expected for the gathering, the gift exchange was changed to having only one "steal" of each gift, which made things move along better, and was easier to keep track of available items. A few members seemed to have their selected gifts frequently taken away (ok, stolen) by other members as part of the game. My unscientific observation was that Derek had to return to the gift table the most, with about 6 trips. But others also got some exercise. There was a break from tradition in that a red flames shirt was not among the gift items. That has been something of an informal tradition for some time; maybe it will make a comeback next year. But all had a great time, as we all disbursed into the night for more Christmas and other holiday celebrations in the days to come.

A copy of the detailed meeting minutes and meeting slide presentation are attached. Some pictures from the gathering are available with the link below.
